

FOAS NEWS

Happy New Year! Thank you all for your help with our fundraising last term. As you can see below we've made a great start to this academic year and have been able to purchase some fantastic new resources/equipment, with more coming soon. Please also read about the about ways you can help us boost our fundraising without having to give over any time. The school lottery only has a handful of supporters but is already a huge help towards our fundraising goals. With more entries from parents and family members it has the potential to make a huge impact.
