FOAS NEWSLETTER

Saints Hills Run

Last Sunday saw the return of the annual Saint Hills 10K/5K run. Blessed with beautiful weather it was our busiest year yet with around 170 runners! There was a wonderful atmosphere and lots of house colour points earned by the children.

Thank you so much to all the runners and cake bakers, plus the parents and staff who volunteered their Sunday to make this event such a success. Special thanks to Eleanor Damon who has led this special event each year since it began.

We are thrilled to say we raised over: **£1800!**

New Picnic Benches

You may have noticed our lovely new benches in the playground this week or used them at the run. The 6 new benches have been jointly funded by FOAS and a very generous donation from Yeovil Round Table. We will be sending huge thanks to Jack Stanley, the Round Table Chairman and the rest of their committee. The children are looking forward to using the benches for picnic lunches when the better weather returns and we think they make a great addition to the playground. Thank you to the group of parents and grandparents who helped assemble them last week.

What have FOAS funded this term so far?

We think it's great for parents to see how FOAS funds are spent, so here are a few things your donations have funded recently, in addition to the benches:

- KS1 coach to listen to the BSO
- Acorn ice creams on their school trip
- SATs breakfast for year 6
- RWI reading scheme books
- An immersive surprise for Spirituality Day next week
- Art supplies
- Books chosen by KS2 on World Book Day
- Materials/trophy for the STEAM Challenge

FUNDING

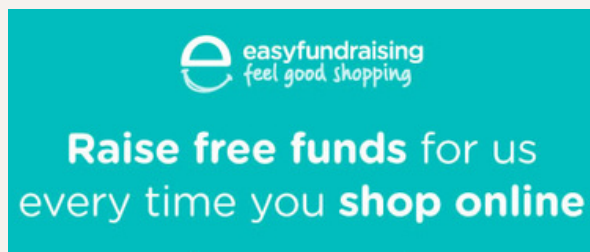

Dates for Your Diary

Friday 14th June - School Disco

Friday 12th July - Summer Party

A quick reminder below of the different ways you can help us raise funds. Click on the images to sign-up and support us or buy a lottery ticket for this week's draw!
