

All Saints Church School

Our Curriculum at a Glance

Our Vision

At All Saints Church School, we believe every child can succeed.

"All things are possible if you believe." (Mark 9:23)

We create a caring and supportive environment where children are encouraged to believe in themselves, show resilience, and grow into confident, independent learners. Every child is valued and supported to develop their unique strengths.

What Your Child Will Learn

Our curriculum is built on the National Curriculum and helps children develop strong knowledge, key skills, and a love of learning.

We make learning meaningful by building on prior knowledge, encouraging curiosity, and linking subjects together.

Enrichment includes cross-curricular learning, STEAM and outdoor learning opportunities.

How We Teach

Our teachers deliver engaging lessons by breaking learning into small steps, asking thoughtful questions, and providing support and feedback. Teaching is adapted to ensure all children feel supported, challenged, and included.

Supporting the Whole Child

We focus on developing confidence, positive relationships, emotional wellbeing, and healthy lifestyles. We work closely with families to ensure every child feels safe, happy, and ready to learn.

Preparing for the Future

Children leave All Saints as confident, enthusiastic learners who are ready for the next stage of education. They are respectful, responsible and prepared to make a positive contribution to society.
