

# Knowledge Organiser: In the Garden

## Topic Background

Plants give us:

- oxygen to breathe
- food to eat
- medicines
- help to filter water keeping our seas clean
- bring us happiness, whether we are outside enjoying the green of the garden or inside with a house plant

Many composers have taken inspiration from their experiences in nature. The bloom of a flower, the thread of a climbing vine and the frantic flight of a bumblebee, have all been translated with scores and sounds.

treble clef

shows us writing music that the notes on the staff are above middle C

time signature tells us how many beats are in the bar and the value of one beat
