vocabulary

10 school subjects in French:

Language to describe when I study these subjects:

 Le lundi, j'étudie le français à 9 heures.

*On Mondays, I study French at 9 o'clock.*

Language to describe the subjects I like/dislike and why:

J'aime le français parce que c'est utile.

*I like French because it is useful.*

grammar

To use different verbs to express positive/negative opinions in French:

 J'aime...       J'adore...

 Je n'aime pas...       Je déteste...

To revisit all definite articles/determiners in French: **le, la, l', les** to remind us that there are 4 options in French for the English word 'the'.

To learn the 1<sup>st</sup> person singular verb 'j'étudie' (I study) from the infinitive 'étudier' (to study).

## What I will learn:

- Objective 1: I will learn 10 school subjects and will use them in sentences with the verb 'I study' in French.
- Objective 2: I will learn to tell the time and express at what time I study different school subjects in French.
- Objective 3: I will learn to apply the days of the week in French within the context of a school timetable.
- Objective 4: I will learn how to express my opinion about the different subjects I study in French.
- Objective 5: I will learn to extend sentences by justifying my opinions with a reason in French.
